METALWORK FINISH OPTIONS

PENDANT FRAME

We use fine wire ring frames to tension our hand crocheted pendant and shade fabric into shape. The metal frames are crocheted into the body of the fabric, making the metalwork just visible between the stitches on the outer rim of the pendant.

Each wire frame is bent by hand into a ring, soldered and polished before being electroplated in our standard finish Rich Gold. We use this finish as it does not require addional lacquering but works well with other brass components.

Custom finishes are also available on request, please select from the options below:

PENDANT FRAMEWORK

Our standard finish

- [ ] LACQUERED BRASS

Custom finish options (matt lacquer used as standard)

- [ ] *LACQUERED COPPER
- [ ] *LACQUERED NICKEL
- [ ] *POWDER COAT (please confirm RAL code)
- [ ] *LACQUERED IZE BLACK
- [ ] *BRONZE

(OPTIONAL) BRASS SUSPENSION ROD

Our standard finish

- [ ] UNTREATED POLISHED BRASS

Custom finish options (matt lacquer used as standard)

- [ ] *LACQUERED BRASS
- [ ] *LACQUERED COPPER
- [ ] *LACQUERED NICKEL
